### Superbowl Storm on Dozensports.com

Gamepass.nfl.com becomes Top [Live Sports](#) site on online sports index DozenSports.com

The NFL's biggest event is just around the corner and the heat is rising on Dozensports.com – Google's top ranked [sports index](#). As the Colts prepare to take on the Saints in Superbowl 44 at the Miami Cowboys Stadium on 7<sup>th</sup> February 2010, Gamepass.nfl.com has climbed to the top of the [Live Sports](#) category.

Overtaking ESPN360.com and MLB.TV, Gamepass.nfl.com climbed to the top because of its breathtaking HD quality and great user-friendly design. But also climbing the [Live Sports](#) ladder is free site ChannelSurfing.com, which came from nowhere to the top 3. ChannelSurfing.com offers live streaming of NFL, NHL, NBA, CFL, NCAA College Baseball, tennis, soccer, rugby, Nascar and more online sports, so is well worth checking out.

**In other DozenSports.com news**, two top fanzines blasted up the online rankings in January. FanNation.com and Wfan.com entered the top 6 in the Fanzines category, kicking out Darthraider.com and NHLsnipers.com. FanNation is part of the CNN digital network and affiliated with Sports Illustrated, while Wfan.com is an [online sports](#) radio station.

*“The Superbowl is one of the biggest viewing events on earth, even people that don't follow American Football and the NFL tune in to see the half-time show and razzamatazz. So it is no surprise that Gamepass.nfl.com reached the top of the [Live Sports](#) category at the start of 2010. The site is in glorious HD and has the best NFL action online, period. For other HD video related news, check out our new site Dozenvideo.com.”*
